BOARD OF SCHOOL TRUSTEES AND ADMINISTRATORS

As approved October 2020

I. SALARY: Salaries increased at the discretion of the Superintendent of Schools and the Board of School Trustees.

II. MEDICAL INSURANCE: The corporation will pay 0% of the 2020-2021 insurance rate increase toward the single (\$249/month), employee + spouse (\$491/month), employee + child(ren) (\$359/month) or family plan (\$758/month) of the PPO \$1500 plan.

Administrators retiring from Franklin Community School Corporation and their spouses may elect to maintain coverage with the group medical, dental and life insurance program until the person reaches the age eligible for full Social Security benefits by paying the amount scheduled per the Master Agreement. In the event the spouse is not eligible for full Social Security benefits, he/she may remain on the same insurance program until eligible by paying the full monthly single premium. Administrators on unpaid leave for a period not to exceed one (1) year may maintain the group hospitalization and medical insurance program by paying the full monthly premium. All monthly premium payments are due in the business office by the 15th of each month. Failure to make said payments shall result in cancellation of coverage. The above options are subject to approval by the insurance carrier.

III. VEBA

A. FCSC shall set up a VEBA (voluntary employees beneficiary association) account for each contracted administrator as of July 1, 2006. At the end of each completed school year, ½ of one percent of the base administrator contract amount shall be contributed into each administrator's individual VEBA account. An administrator's VEBA account shall be vested upon completion of 5 years experience with FCSC or fulfillment of the requirements for normal (unreduced) retirement under Indiana State Teacher's Retirement Fund ("TRF") (age 65 with at least 10 years of TRF service; age 60 with at least 15 years of TRF service; or age 55 if age plus TRF service total at least 85). An administrator shall be 100% vested in his or her VEBA account upon his or her death.

B. Each administrator shall carry no more than ninety (90) days sick leave in his/her personal leave accounts. For each year, starting with the 2005-2006 school year, accumulated sick leave days over 90 shall be bought out. This calculation shall be done at the end of each school year. These days shall be bought out at one-half (1/2) the overage of days times the current daily

substitute teacher pay rate as of the end of each school year. That amount shall be deposited at the end of each school year into an administrator's VEBA account. An administrator's VEBA account shall be vested upon completion of 5 years experience with FCSC or fulfillment of requirements for normal (unreduced) retirement under TRF (age 65 with at least 10 years of TRF service; age 60 with at least 15 years of TRF service; or age 55 if age plus TRF service total at least 85).
