What is the Cub Pantry?

The Cub Pantry is a choice food pantry serving Franklin Community School Corporation employees, students and their families. Until now, the only food assistance students and families received is through the Gleaners Back Sacks program at the elementary level. Wanting to extend this service to the entire school corporation, Franklin Community Schools, in partnership with Gleaners Food Bank, introduces its first school based food pantry!

The Cub Pantry is operated by volunteers within the community and FSC!

Cub Pantry Location, Dates & Time:

The Cub Pantry is located at CBIS and is open from 4pm-6pm on the first Thursday of each month unless it falls on a holiday, a day school is not in session or the first week of school.

Please enter through door 20W located on the southwest side of the building (near the playground) and the pantry is located in room E08.

To Qualify:

- Open to ALL employees, students and families in the corporation
- Provide photo ID
- You are limited to one visit per month, unless otherwise noted
- There are NO income restrictions

IMPORTANT: The pantry will be open throughout the school year and summer months. IF FCMS closes due to inclement weather on the same day the pantry is scheduled to be open, the pantry will also be closed. The date will not be rescheduled. Students and families will have to visit the following month.

Cub Pantry Point System:

Each item in the Cub Pantry will be assigned a point value (e.g. one canned good = 1 point). Families will receive a set amount of points they can use to “shop” for any of the items in the pantry. The number of points is determined by how many individuals are in your family. There is no pre-bagged food; families may choose what they would like from the pantry.

Point System:

- Family size between 1-4 = 25 points
- Family size between 5-6 = 30 points

Family size between 7-8 = 35 points
Family size 9 and above = 40 points

Typical Items in the Cub Pantry:

- Frozen meat (beef, chicken, turkey)
- Cereal
- Rice/Pasta/Mac & Cheese
- Canned Fruit
- Hygiene items (toilet paper, paper towels, etc)
- Fresh Product (when available)

Peanut butter and jelly
Canned vegetables
Canned meat (tuna or chicken)
Laundry detergent
Diapers
