FCSC Awards

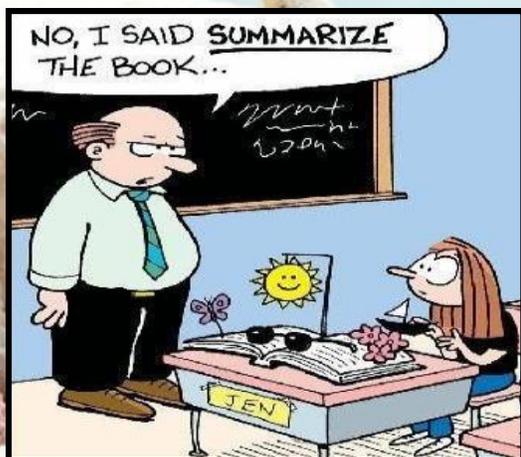

At Monday's FCSC School Board Meeting two long time Franklin educators and former FCHS employees were honored for all they have done for the students and families in Franklin. Representative John Young presented Executive Director of Curriculum, Instruction, and Assessment Deb Brown-Nally and Executive Director of Finance Jeff Mercer The Circle of Corydon award. We have been blessed to have them leading our district for many years, and will miss them upon their retirement at the conclusion of this school year. Franklin High School thanks them for their dedication to our students and community!

SPOTLIGHT

Mrs. Murphy: Special Services

Tell us a little about you.

I am the oldest child of four and by far the most outgoing. My sister is in nursing school at Marian and my brothers are in high school at Eastern Hancock. I grew up in Greenfield, Indiana and spent 6 years being homeschooled while I was in elementary school and attended Secena Memorial High School on the east side. I graduated from IU with my Bachelors in Social Work and from Purdue with my Masters in Special Education. While in undergrad I worked primarily in domestic violence and the experience helps me to this day.

What are your hobbies?

I love crocheting with my husband and cooking. I spend a lot of my time finding recipes and testing them out on Matt while also testing his patience with the number of dishes that I create. I am recently into baking bread and have been reading Bonnie O'Hara's new book to learn all the basics.

What is one fun thing people probably do not know about you?

While being homeschooled, I did 4H for two years. I actually won 2nd place in the state competition for sewing myself some jammies. I still sew some, but mostly avoid it as quilting makes my hands hurt just thinking about it.

Who was your favorite teacher and why?

My favorite teacher was probably my Algebra 1 teacher in high school, Mr. Cope. I was an awkward, weird kid in high school and my social skills were a little lacking. Mr. Cope took the time to talk to me every morning and taught me how to utilize my academic and social skills in the right ways. I loved Algebra because of his dry, sarcastic sense of humor.

What do you most enjoy doing over the summer?

Waking up without an alarm! I will also spend a lot of my time working on my next crochet project while wrestling the yarn away from my cat, Paris.

This Is Franklin

Serving Others

This season has certainly been a great one for our girls tennis team as they entered Sectional play this week as Mid-State Conference Champions, an undefeated regular season match play, and ranked 18th in the state. However, it could be that their best play of the year may have come as a service project. The tennis team accepted donations for lunches this past Saturday during their invitational, and then took the money (\$650) to a family in need at Southwestern High School. A true act of kindness and service to others. We are so proud of the team for this action and how they represent FCHS!

SCHOOL COUNSELOR CT

2019-20 Schedules

All student who will be returning next school year were issued schedules on Wednesday during lunch. Students will have until school ends on Wednesday, May 29th to make correction to schedules. No schedule changes will be made after that date. Students are asked to email their counselor if they have an error in their schedule.

Please note:

- Classroom teachers and periods are not set.
- We will not be accepting requests for teachers or period changes.
- Students entering the summer with classes that require summer work are expected to finish that work, and will not be able to drop due to lack of work completion.
