She helps the students prepare opening and closing statements, how to interrogate a witness, and general court room procedure. The FCHS Faculty Advisors are Angela Koontz, Travis Gabehart and Chris Kacarab.

Literacy Collaboration

Northwood and Franklin College partnered to provide extra support for at-risk students during the month of January. Dr. Crisafulli, Ellen Paris and Katie Smith planned and organized the experience. This opportunity partnered Northwood at-risk students with 21 college students to support literacy. The college students provided support in the classroom and after school tutoring two times a week. Ellen Paris, Katie Smith and the Literacy Coaches provided intervention strategies, poverty information and resources during the partnership. Dr. Crisafulli provided literacy opportunities and experiences during their time on campus. We are very thankful for Dr. Crisafulli's passion and ideas surrounding literacy. It was a WIN, WIN for everyone!
