### Superintendent's Academic Honor Roll Students

FCS had a celebration honoring students for achieving academic excellence for receiving all A's for both semesters of the 2013-2014 school year.

### Destination Imagination Team

The Creekside's Thinking Bubbles team earned a trip to the Destination Imagination's Global Finals. The Thinking Bubbles finished in 46th place out of 92 teams, which was an excellent finish considering they were competing with the best teams in the world.

### Champions of Character Program

We recognized Sarah Records, Mike McClure and John Regas for their leadership with the Champions of Character Program. Teachers nominate students based on their character. The program nominates students who truly display strong character across the board, including kindness, work ethic, and how they treat others.
