Compensation Model

I. New Money Pay Increase

All salary increases require teachers to be deemed Highly Effective and Effective based on the FCS Teacher Evaluation. Indiana Code 20-28-9-1.5.

Any teacher deemed Needs Improvement or Ineffective (except teachers in their first two school years of instructing students) will not receive a raise, and his/her proposed increase will be distributed to all teachers rated effective and highly effective in the form of a lump sum base salary increase in the current contract year. Any teacher deemed Needs Improvement or Ineffective will remain at his/her previous year’s salary. In order to be eligible for a salary increase in the current year, a teacher must have been employed by Franklin School Corporation for at least 120 days in the prior school year.

The FCTA and FCS negotiated teacher salary increases for the 2021-22 school year using a pool of available dollars of \$853,830.07. This dollar amount reflects 51% of the new money generated within the Basic Grant awarded.

The academic need factor is required to allow for recruiting and retention of highly qualified teachers.

Returning teachers who are employed by FCS for 2021-22 school year, will be eligible to receive a salary increase of 6% to their base salary for the 2021-22 contract. Teachers who started employment with FCS in the 2021-22 school year will receive increases that reflect changes to the starting salary schedule illustrated in Appendix A, based on the years of service agreed upon at time of hiring.

At the beginning of the 2021-22 school year, the salaries of returning full-time teachers were between \$ 40,000 and \$82,981.92.

Under the compensation plan, each teacher will receive up to a 6% increase on their base salary.

After the increase is awarded, full-time teachers will be making between \$42,000 and \$87,960.84.

Teacher compensation will be based upon performance with teachers earning units for specific performance in the following (1-3) defined categories, (4) academic need, and (5) advanced degrees.

Teachers will receive a base salary increase of 4% for the teacher evaluation factor, 1% for the experience factor, and 1% for the instructional leadership factor as follows:

1. Teacher Evaluation (4% added to base salary)

Teachers who score in the top two categories (Highly Effective or Effective) on the evaluation instrument will earn a 4% pay raise to their base salary.

2. Experience (1% added to base salary)

*Minimum 120 paid days previous year

3. Instructional Leadership (1% added to base salary)

The term “instructional leadership roles” is defined as follows:

1) *Teachers who are recognized in the current contract year by a state or nationally recognized education organization(s) that has been approved by the Administration. Examples of these organizations include, but are not limited to:

- Indiana Department of Education
- U.S. Department of Education
- Milken Institute
- Universities
- National Council of Teachers of Mathematics (NCTM)
- Delta Kappa Gamma or other educational societies

OR

2) Completing at least 18 hours of leadership in one or more of the following instructional leadership roles that have been pre-approved by the administration:

*Voluntary Building or District Leadership Position or recognition. (Such as: building and corporation level committees, safety, discussions, climate, culture, textbook adoption, PLC, bargaining, kids' team.)

- Instructional Leader
- Curriculum Leader/Staff development activity leader
- Chaperoning school events
- PTO activities
- School Improvement Plan
- After School Program/activities
- Mentor Beginning Teacher
- Supervise a Student Teacher
- Field Experience Supervisor = 9 hours
- *Summer leadership hours will count in the evaluation year following the summer season.

Meeting the definition of instructional leadership roles above will equal one (1) unit on the FCS Compensation Rubric.

4. Academic Need

The academic need factor is required to allow for recruiting and retention of highly qualified teachers.

From 2020-21 and in future school years, the first time the certified employee ends the school year at 90 sick days, the \$1,000 increase will be added to their base salary. The \$1,000 increase will remain in their base salary, regardless of whether or not the certified employee maintains the 90-day balance. The 90 days will still be accumulated to the teacher's sick leave total. The teacher is only eligible for this increase one time.

This academic need factor also provides for a previously hired and current FCS teacher with a catch-up contribution to his/her salary. This teacher retention catch-up allows the superintendent the discretion to adjust the salary of a current teacher to the amount on the New Teacher Salary Grid (Appendix A) for a new teacher with comparable education and experience. The amount will be established by the difference between the New Teacher Grid and the present salary of an employee.

Teachers will also receive an additional \$1,000 to their base salary for earning a Master's degree in an eligible content area as defined by IDOE. The teacher will be responsible for contacting the Human Resource department by June 30th following completion of their degree and submitting required transcripts for verification. The increase to base salary will then be effective in the following school year.

Base Pay Increases under the "Catch-Up" Factor

LAST NAME	FIRST NAME	Catch-up Raise to Base Salary
------------------	-------------------	--

1	Batta	Daniel	\$	525.40
2	Hasser	Tallia	\$	393.00
3	McCurren	Monica	\$	378.84
4	Surface	Melanie	\$	417.20

ARTICLE I

Recognition of the Exclusive Representative

The Board recognizes the Association as the exclusive representative of all certificated employees except for the superintendent, assistant superintendents, principals, assistant principals, administrative assistants, reading coordinator, supervisors, high school athletic director(s), and all non-certified personnel, for the purpose of bargaining in respect to salaries, wages, hours and salary and wage related fringe benefits.

ARTICLE II

Leaves

Teachers who find it necessary to leave the school during the day for less than half-day may do so with the approval of the building principal.

Paid Time Off(PTO)

Section 1. For the school years 2021-2022, each teacher shall receive a total of eleven (11) paid time off (PTO) days per year. There will be no distinction between sick and personal days. New teachers will receive twelve (12) PTO days with a one (1) day optional donation to the sick bank. The donation of one day to the sick bank shall be automatic unless noted otherwise, in writing, by the teacher through Human Resources between the dates of August 1 and August 15.

Teachers are allowed to use up to ten (10) days of sick time banked or paid time off for family illnesses.

PTO may be granted on the opening or closing day of the school semesters or the day immediately before or after school vacations and holidays, upon approval of the superintendent.

On June 30th of each year, all remaining PTO days will roll over to sick days where a total of 90 days can be banked.

Section 2. In the event a teacher is hired to teach in the Franklin Community School Corporation, any unused sick leave accumulated in any other school corporation shall be added for the second and each succeeding year of employment at the rate of three (3) days per school year until the number of accumulated days to which said teacher was entitled in the last place of employment shall be exhausted.

Section 3. Teachers unable to work because of a disability caused by an injury while carrying out the functions of a teacher in the Franklin Community School Corporation will be compensated at the teacher's daily rate for the first week of such disability. Said days off for the first week shall not be charged against paid time off. Following the first week of a teacher's absence due to a school related injury, the teacher may elect to use their paid time off to make up any loss of income to which they would have normally been entitled. This is considered to be the difference between Worker's Compensation payments and the teacher's contractual per diem pay.

Maternity/Paternity/Adoptive Leave

Maternity/Paternity/Adoption Leave

Leave taken that is related to or is caused by the employee's pregnancy shall be governed by the following:

Section 1. Any employee who is pregnant is entitled to a leave of absence of up to one year, with such leave to be taken at any time between the commencement of her pregnancy and the first anniversary of the birth of the child. Maternity leave may be taken without jeopardy to re-employment, retirement and salary benefits. The Family and Medical Leave Act (FMLA) provides eligible employees with up to twelve (12) weeks of unpaid, job-protected leave per year. We classify these 12 weeks as "working" weeks for Certified Staff members and other staff who work less than 260 days per year.

Section 2. The period of physical incapacitation, as designated by the employee's attending physician, may be charged to her available sick leave provided that acceptable certification of the extended period of physical incapacitation is submitted from an attending physician. Any leave days after the period of physical incapacitation may be charged to available PTO leave days. The teacher is entitled to complete the remaining leave without pay.

Section 3. Maternity leave days will only be counted during the 184 days of the collective bargaining agreement. Non-working days including spring break, fall break, Christmas Break, etc. but excluding summer break will not be counted towards the total amount of weeks as deemed necessary by the physician if it has been denoted in a number of weeks as opposed to a specific period of time designated by dates.

Section 4. A teacher may use 30 sick days for a natural birth delivery. The 30 sick days are to be used concurrently with the teacher's 184-day contract. A c-section delivery will allow

the teacher to use 40 sick leave days. Additional sick days may be used if they are prescribed by a doctor.

Section 5. The leave of absence shall be deemed to be a leave taken under the provisions of the Family and Medical Leave Act (FMLA) and shall be subject to the provisions of that act for up to a maximum of twelve (12) calendar weeks. Beginning with the first day of the thirteenth week of the leave of absence, the FMLA is no longer applicable. Responsibility for the payment of insurance premiums shall be allocated between the employee and school corporation for the initial twelve (12) weeks of the leave of absence. The employee shall have sole responsibility for the payment of insurance premiums for that portion of the leave of absence for which FMLA is not applicable.

Section 6. Teachers who are in the process of adopting a child, as verified with documentation, may request an adoptive leave of up to five (5) days during the receiving of the child. These five (5) days will be subtracted from the accumulated sick leave of the teacher making the request. Teachers may request an additional adoptive leave, without pay and without the use of sick days, for a period of one (1) year.

Spouse/Partner/Adoptive Leave

Section 1. Spouse/partner or adoptive leave shall be granted upon request for the first year following the birth or placement of an employee's child. Up to five (5) days of absence during the pregnancy period and/or up to the child's first birthday shall be subtracted from the accumulated sick leave of the teacher. Additional leave days may be granted but shall be unpaid unless the employee chooses to use any paid time off available for that school year. The teacher is entitled to complete the remaining leave without pay.

Section 2. If the necessity for leave is foreseeable based on an expected birth or placement, the employee shall provide the Superintendent with not less than thirty (30) days' notice before the date the leave is to begin. If the date of birth or placement requires leave to begin in less than thirty (30) days, the employee shall provide such notice as is practical.

Section 3. The leave of absence shall be deemed to be a leave taken under the provisions of the Family and Medical Leave Act (FMLA) and shall be subject to the provisions of that act for up to a maximum of twelve (12) calendar weeks. Beginning with the first day of the thirteenth week of the leave of absence, the FMLA is no longer applicable. Responsibility for the payment of insurance premiums shall be allocated between the employee and School Corporation for the initial twelve (12) weeks of the leave of absence. The employee shall have sole responsibility for the payment of insurance premiums for that portion of the leave of absence for which FMLA is not applicable.

Extended Medical Leave

Franklin Community Schools recognizes the potential need for staff members to be on a leave of absence for longer than the time allowed under the Family Medical Leave Act (FMLA) for medical purposes. These absences must be approved by the Franklin Community Schools

Board of Trustees and be certified by an attending physician through the utilization of FMLA paperwork. Any staff member who requests a leave of absence greater than 12 weeks, as certified by their physician for a serious health condition, will be responsible for paying the entire portion of their healthcare and other insurance premiums once they are on unpaid status. The full cost of insurance premiums (including the corporation portion) will be paid by the employee only once they have exhausted all available sick/PTO benefit time.

Jury Leave

Any teacher who is called for jury duty or subpoenaed for a matter related to school business shall, during the period of his or her absence on account of such duty, be paid his or her full salary less the total amount per diem allowance earned by such teacher for such duty.

Professional Leave

A teacher may apply, or be asked to attend, in professional leave opportunities during the school year. The total number of days missed by a teacher will not exceed four (4) days, unless approved by the superintendent or designee. In addition, the FCTA president will be notified of the professional leave extension.

Representation Leave

Four (4) days of representation leave may be approved by the superintendent for the Association President, or that person's designee on the professional staff, to attend the "long" sessions of the Indiana General Assembly. Two (2) days of professional leave may be granted by the superintendent for attendance at the "short" sessions of the General Assembly.

Bereavement Leave

Teachers may request to be absent a maximum of five (5) school days for the death in the immediate family. The immediate family is interpreted to mean father, stepfather, mother, stepmother, brother, step-brother, sister, step-sister, husband, wife, child, miscarriage, stepchild, father-in-law, stepfather-in-law, mother-in-law, stepmother-in-law, son-in-law, step-son-in-law, daughter-in-law, step-daughter-in-law, and any relative who at the time of death was living as a member of the household of the teacher. Legal guardians and wards shall be counted as parents and children for bereavement leave purposes. Three (3) days of bereavement leave may be granted for grandparents, sisters -and brothers-in-law, grandparents-in-law and grandchildren. Three (3) days of bereavement leave may also be granted for aunts, uncles, nieces and nephews. One (1) additional day may be granted by the superintendent or designee in extenuating circumstances surrounding the need for additional bereavement leave days. The teacher affected by the death may request the additional day of bereavement leave, over and above the maximum of five (5), through a written request to the superintendent. Should a teacher not use a total of five (5) days at the time of bereavement, two (2) days remaining of the five (5) bereavement leave days shall be available during the school year for the teacher to settle estate matters. One (1) day per school year shall be granted for funerals of close friends.

ARTICLE III

Sick Leave Bank

Section 1. A sick leave bank will be established for all teachers. The bank will be administered by the superintendent or designee, who will establish the necessary procedures. The Association will appoint a committee of three teachers, one of whom will be a permanent member who will advise the sick leave bank administrator of any request for benefits. Only those who voluntarily contribute to the bank may seek to derive benefits. If a teacher chooses to “opt in” that teacher remains in the sick leave bank until they terminate service with the corporation. Unused sick leave days will remain in the bank and carry over from year to year. Should the bank become depleted then teachers would be required to contribute at least one more day.

Section 2. If a teacher has been quarantined more than once in a school year while carrying out the functions of a teacher, they may opt to request sick days from the sick bank to cover all or a portion of those required quarantine days. This does not include quarantines resulting from family members or outside of their employment activities. If a teacher is approved to work remotely rather than claiming sick or PTO days, eligibility for sick bank days will be denied.

ARTICLE IV

Section 2. Teachers on leave for a period not to exceed one year may maintain the group hospitalization and medical insurance program by paying the full monthly premium. All monthly premium payments are due in the business office by the 15th of each month. Failure to make said payments shall result in cancellation of coverage. The above options are subject to approval by the insurance carrier.

Section 3. Cash refunds or credit by insurance companies on premiums paid partly by teachers shall be returned to the teachers up to but not exceeding the annual premium paid by the teacher when such refund of credit is received. This section does not apply to refunds received from the South-Central Indiana School Trust wellness payback program.

Section 4: As an incentive to move more teachers from a PPO to an HSA health care plan, the school corporation is offering a one-time HSA contribution of \$500 for those teachers who elect to make that change effective November 1, 2021. This \$500 will also be distributed to those teachers already enrolled in an HSA. This contribution will be distributed to established Health Savings accounts in January 2022 for those certified employees who qualify for this incentive. The January 2022 date was selected to ensure compliance with IRS tax regulations that prohibit individuals from contributing to both FSA and HSA in the same tax year.

Dental Insurance

Teachers shall be covered by a dental insurance policy. During the duration of this contract, the Board will pay \$469.20 of the policy cost on the family plan, and the full cost of the policy on the single plan except for the teacher paying at least \$1.00 per pay.

Vision Insurance

Teachers shall be covered by a vision insurance policy effective April 1, 2009 as proposed by the Association. The Board will pay all but \$1.00 toward the cost of a single plan. Those teachers desiring the family vision policy will pay the difference between the cost of the single and family plan.

Life Insurance

Each teacher shall be provided a fifty thousand dollar (\$50,000) term life insurance policy and a fifty thousand dollar (\$50,000) policy covering accidental death and dismemberment. Protection will be confined to that provided in the carrier's policy. The amounts of coverage in these types of insurance will be reduced to the amount stipulated by the insurance carrier when a teacher reaches the age of 65. Each teacher must pay at least \$1.00 of the policy cost.

Long Term Disability

Full time teachers shall be covered by a long-term disability insurance policy. The Board will pay the policy cost. Each teacher must pay at least \$1.00 of the policy cost.

Section 125

Effective January 1, 1990, the benefits provided to teachers by Section 125 of the Revenue Act of 1978 shall be made available to any teacher so requesting. An amount not to exceed fifty percent (50%) of salary may be set aside by the teacher for the selection of benefits, under said Section 125, which are non-taxable benefits of major medical, dental, long term disability, short term disability, Section 79 life, unreimbursed medical, and dependent care. The carrier for the plan shall be mutually agreed upon by the Board and the Association. Any administrative costs incurred by the plan shall be paid by the Board. The Board shall be held harmless by the carrier for the plan from any liability to teachers who enroll in the plan arising out of the carrier's performance of its obligations and responsibilities under the plan.

Continuation of Benefits

Teachers on approved leaves may elect to continue insurance coverage, by payment of full monthly premiums, for a period up to eighteen (18) months.

ARTICLE V

Supplemental Retirement

Section 1: Notice of Retirement

A teacher desiring to retire at the close of any given school year should attempt to notify the superintendent by March 1st of that retirement year.

Section 2: Continuation of Benefits

A teacher upon retirement with the Franklin Community School Corporation may continue to participate in the group health, dental, and life insurance programs by paying the full monthly premiums and meeting the qualifications established by Indiana State Teachers' Retirement Fund for normal or early retirement.

Section 3. 401 (a)

The Board will contribute the following to a supplemental retirement plan qualified under Section 401(a) of the Internal Revenue Code for every teacher:

- A. 1% of the teacher's base contract salary paid, plus
- B. an amount matching the amount the teacher contributes to a 403(b) annuity, but limited to .5% of the teacher's base contract salary paid.

All of these contributions will be immediately vested.

Section 4. 403 (b)

Teachers may elect to have a portion of their gross pay sent directly to the 403 (b) plan. Changes in the amount of payroll deduction may be done in October or April of each year by submitting a salary reduction agreement. Changes in investment option may be done at any time by contacting the corporation 403 (b) plan administrator. All funds designated by a teacher for investment into 403 (b) plans shall be electronically sent to the named receiving institution within three (3) business days from the payroll date.

Section 5. VEBA(Funded Health Retirement Account)

A. The Board shall set up a VEBA (voluntary employees beneficiary association) account for each contracted teacher as of July 1, 2006. At the end of each completed school year, ½ of one percent (.5%) of the base teacher contract amount shall be contributed into each teacher's individual VEBA account. A teacher's VEBA account shall be vested upon completion of 5 years of experience with FCSC or fulfillment of the requirements for normal (unreduced) retirement under Indiana State Teachers Retirement Fund ("TRF") (age 65 with at least 10 years of TRF service; age 60 with at least 15 years of TRF service; or age 55 if age plus TRF service total at least 85). A teacher shall be 100% vested in his or her VEBA account upon his or her death.

B. Each teacher shall carry no more than ninety (90) days in their sick leave accounts. For each year, starting with the 2005-2006 school year, accumulated leave days over 90 shall be bought out. This calculation shall be done at the end of each school year. These days shall be bought out at one-half (1/2) the overage of days times the current daily substitute retired teacher pay rate as of the end of each school year. That amount shall be deposited at the end of each school year into a teacher's VEBA account. A teacher's VEBA account shall be vested upon completion of 5 years of experience with FCSC or fulfillment of requirements for normal (unreduced) retirement under TRF (age 65 with at least 10 years of TRF service; age 60 with at least 15 years of TRF service; or age 55 if age plus TRF service total at least 85). A teacher shall be 100% vested in his or her VEBA account upon his or her death.

C. The Board shall place into each retirees VEBA (must be vested) account a one-time sum of \$5,000.00 as compensation for 90 days of unused sick days. If a retirement buyout is offered, then section C of the VEBA article will not apply.

Section 6. Retirement Buyout

For this contract period, FCS is offering a retirement buyout for those certified staff members who have fulfilled the requirements for normal (unreduced) retirement under the Indiana State Teachers Retirement Fund (TRF):

- Age 65 with at least 10 years of TRF service;
- Age 60 with at least 15 years of TRF service or;
- Age 55 if age plus TRF service total at least 85.

It is also a requirement for that certified staff member to have worked for FCS for a minimum of ten (10) years. The certified staff must retire at the end of the school year, and will submit their “notice of intent to retire” retirement by March 1, 2022 for a May 23, 2022 retirement to the Superintendent. Those notifications will be accepted and approved for the buyout on a first-come-first-serve basis. A maximum of 10 retirement buyouts will be granted for the buyout terms outlined below:

1. A one-time retirement cash incentive of \$12,000 for retirements effective May 23, 2022.
2. A buyout of all accumulated sick days at the rate of \$90 per day. The sick day buyout will be deposited into the retirees' VEBA fund.

If more than 10 teachers request the buyout, FCS and FCTA will consider additional spots based on available funds.

ARTICLE VI

- C. When substitute teachers are not provided to elementary, intermediate, middle or high school teachers during the regular teaching day, classroom teachers being assigned to said duty, by the building principal or designee, shall be paid a twenty-five (25) dollars per period stipend up to a maximum of \$90 per day.

Section 6. When it becomes necessary to extend teacher contracts, classroom teachers will be compensated based on their daily rate using their most current contract amount.

Section 7. The parties recognize that final authority to create positions, determine job descriptions and titles, and to assign teachers to positions is vested in the Board of School Trustees. (See Appendix B.) Between ECA Committee meetings and/or discussion/negotiations, the Superintendent of Schools shall have the ability to make changes in ECA positions as deemed appropriate and necessary. These changes may be made for a period not to exceed one calendar year. ***This section has not been bargained but is included for informational purposes only.***

It is further understood and agreed that the provisions of the Contract are deemed to be separable to the extent that if and when a court or government agency of competent jurisdiction adjudges any provision of this Contract to be in conflict with any law, rule or regulations issued thereunder, such decision shall not affect the validity of the remaining provisions of this Contract, but such remaining provisions shall continue in full force and effect.
