There are three ways of making your FCS school course fee payment. The preferred method is to access your Parent Powerschool account, or create a SchoolPay account. Lastly, would be to send a check or money order in a sealed envelope with your students first and last name, student ID# and have student take to the main office.

You may also opt to mail check/money order directly to the school.

#1 Your PowerSchool account

- Log in to your Parent PowerSchool account
- Scroll down to the bottom of the page and click the "alio Cash" button
- View the fees and click the "Make a Payment" button
- Enter the amount to be paid and click the "Submit" button
- You will be directed to the SchoolPay site, where you will follow the prompts and complete the transaction.

#2 – Create a SchoolPay account

- Go to www.schoolpay.com and click the "Create an Account" button. You will be guided through the account setup.

You will need:

*The School's Name

* Student's ID Number

SchoolPay allows you to make payments 24-7 and gives you peace of mind that your payment will not be lost along the way. You are always in full control of your account and can make a payment at any time that is convenient for you. No payments will be allowed without your knowledge and authorization, through this secure payment system. Each payment is followed by an email notification informing you of the student's name, item name, and payment amount. If you have any questions regarding your new SchoolPay account, please feel free to contact SchoolPay's Customer Service toll-free line at 888-886-9729 or support@schoolpay.com.

#3 – Check/Money Order payment

- Sealed envelope
- Students first & last name
- Student ID # (which is their lunch account #)
