

# *Eat, Speak, Play Spanish!!!*

# HOLA!

*Learning a language should be natural and FUN!! We all learned to speak English, so let's learn Spanish the same way. The sooner our kids see that Spanish is fun, the more likely they will be to study it later. We will experience the language through eating, playing and speaking. Parents will receive a cd and booklet which will help them start using Spanish with their kids at home!!!*
