

## CAR RIDER INFORMATION

We encourage you to allow your child/children to ride the bus. I understand there are times you have to bring them to or pick them up from school. If your child is a car rider, we ask that you follow some guidelines. These are put in place to keep ALL children safe and to help this procedure run smoothly.

### A.M. DROP-OFF

The building will not open until 7:20 A.M. Please do not let students out of their vehicle until an adult opens the front door @ 7:20 and waves them in.

- 1<sup>st</sup> driver can pull along the front walk up all the way to the orange cone!
- Please form a single line along the sidewalk and wind around the front circle (toward the church).
- Please try to come in from the front side of Webb due to the bus traffic in the back.
- Car riders should only use the front doors.
- If you need to come in or walk your child into school, please park in the parking lot area in the front of the school and accompany your child across traffic. Students may not walk across the parking lot without adult supervision.
- Please watch for pedestrians when pulling away.
- Children should get out of the vehicle on the right side. (Closest to the sidewalk), not stepping out into the path of moving cars.

### P.M. PICK-UP

If you have to pick your child up before 2:20 dismissal, you must park in the parking lot area in front of the building, come into the front office and sign your child out. **SIGN-OUTS DO COUNT AGAINST PERFECT ATTENDANCE.**

The end of the school day is very hectic and busy. We want to ensure that all our students get to their correct destinations in a safe and orderly manner. The thing that would help us most for car riders is for parents to stay in their cars, form a line like morning drop-off and wait until students come out of the building. Kids should get into their cars on the right side (closest to the sidewalk). An adult will walk out with the students and watch them get into their cars. **PLEASE WATCH CAREFULLY.** Thank you so much for helping this run smoothly. If you have any questions, please never hesitate to call me.

**Changes in Dismissal Plans-** Please make every effort to call the office BEFORE 1:30pm to change dismissal plans for your student.

Thanks for keeping our Spiders safe!  
Cheryl Moran  
Principal, Webb Elementary
