Additional Cub Academy Information

- We are committed to your child's academic, social and emotional growth.
- Our preschool classrooms will provide a nurturing learning environment.
- Learning experiences, including hands-on, will develop independence, curiosity, decision making, cooperation, creativity, and problem solving.
- Cub Academy accepts three and four year old students.
- Preschool instruction will be provided by an associates or bachelor's degree teacher.
- The day to day structure aligns with the Indiana Foundations.
- Superkids and Everyday Math will be used for the core instruction.
- The Cub Academy will follow the FCSC Calendar.
