CBIS Weekly News

Week of
April 24, 2017

- On Monday, April 24, from 5:30 to 7:00 p.m., Franklin Community High School will be offering athletic physicals for \$20.00. If your child is planning to play a sport next year, the school must have a physical on file. This is a great opportunity!
- Please take a moment to check out the page 3 of the newsletter about online registration. There is more information on our website. Thank you.
- The Indiana State Department of Health requires additional immunizations for students entering the 6th grade. All sixth graders must have a Tdap and a Meningococcal vaccine. These immunizations are required before your child begins their 6th grade year. Please make arrangements with your child's doctor or the Health Department to obtain these immunizations, and send an updated copy of your child's record to your school nurse.

Another congratulations to Madison Stillabower for coming back this year and winning the Johnson County Spelling Bee. We're so proud of you!

This week's Compass Learning winners are Ryder Street and Harmon Gee. Congratulations on getting those exercise tickets in. This will help all students get to the zoo and do well on their NWEA testing. Check out the information to the left by the giraffe.
